Hi All,

Just like to let you know that I have updated the Online Modules for 24/25 cohorts, and they are ready to be uploaded on your Moodle page.

Could you please let us know where the Digital Learning Team can upload the direct links on your local course Moodle site? The links are for current **opted in students for DPS Year in 24/25**.

Please provide me the name of Moodle page and the direct link to your Moodle site via the following SharePoint spread sheet by **Thursday 09/05/2024**, section highlighted in yellow.
